We're looking forward to a great year and we are thrilled you are interested in teaching at our events! As you are preparing your classes, please take note of the following suggestions and policies:

What type of class should I teach? Students enjoy a variety of classes including 12x12 layouts, cards, mini albums, mixed media, digital and photo decor with both a simple design or interactive elements and techniques. When considering projects or pages with a specific theme, please make sure the theme is clearly stated in the class description. We have noticed classes with broader themes appeal to a larger audience. Please make sure that your students will be able to complete the class project in the allotted time frame of your class.

Please submit new class proposals for the new show year (one form per unique class). The class title, description and project you propose **must** differ from the previous year's classes. New classes can teach similar techniques as the previous year.

We are here to help you. Please don't hesitate to contact us with any questions about classes, projects or pricing. We want your classes to be successful!

Other *CK Scrapbook Events, LLC* policies:

Capping Classes: When submitting class proposals, consider class sizes and list the maximum number of students you are able to accommodate for each show and class. This is the number of students you are committing to teach and the amount of space we are holding for you and your class at the show. If there are extenuating circumstances and class totals need to be changed prior to the event closing *CK Scrapbook Events, LLC* will charge a per student penalty of: \$12.50 per 1 hour class, \$18.75 per 1 1/2 hour class and \$25 per two hour class.

Onsite Sales in classes: There is **no selling** of any products allowed in the classrooms or hallways. Any and all products sold must be sold on the vendor floor from your booth. If you do not have a booth, you cannot sell product from your classroom or hallway. While we do encourage sales of retired class kits at your booth, please do not sell class kits for current classes which are offered in the class schedule and event from your booth. All class ticket sales for current classes must go through the CKC & GASC ticket booth.

Volunteers: We will plan on having a volunteer available to assist you in class. While we appreciate and acknowledge how hard our volunteers work please do not provide them with a class kit as a "thank you." *CK Scrapbook Events, LLC* provides volunteers with compensation in the form of gift cards, free passes, and additional gifts. While most instructors are complying with this policy, others are not and we have noticed that not complying with this policy causes resentment amongst volunteers and also encourages theft of class kits.

***CKSCRAPBOOKEVENTS, LLC reserves the right to refuse your proposal. We will notify you via-e-mail if your class is accepted.**
